EXECUTIVE COMMUNICATION COACHING

EXECUTIVE COMMUNICATION COACHING FOR SENIOR LEADERS

Who this is for

At **Nine Hours East**, we help executives and senior professionals refine their command of English for the world stage. Our coaching goes beyond language practice — we sharpen your *strategic presence*, *authority in key moments*, and *clear influence* across cultures and high-stakes business environments.

This coaching is designed for:

- CEOs, Presidents & Board Members
- Senior leaders leading cross-border teams
- Founders engaging investors or global partners
- Executives preparing for high-stakes presentations
- Leaders whose primary operational language is English but seek even greater impact

This is **not standard language tutoring**. It's executive-level communication coaching with a strategic focus.

EXECUTIVE COMMUNICATION COACHING FOR SENIOR LEADERS

What You Will Gain

Through confidential, practical coaching sessions, you will:

Elevate Your Communication in Key Areas

- **Executive Presence in English:** Speak with authority and clarity under pressure.
- **Board & Investor Communication:** Deliver messages that are focused, persuasive, and professionally polished.
- **High-Stakes Presentations:** Structure ideas for maximum clarity, audience engagement, and strategic impact.
- **Media & Public Messaging:** Craft your narrative confidently for external stakeholders.
- **Cross-Cultural Influence:** Navigate cultural nuance with linguistic and strategic intelligence.

Our Approach

Our coaching process is designed for real professional contexts:

1. **Initial Confidential Consultation** — Understand your goals and current challenges.
2. **Communication Audit** — Identify strengths and areas for refinement.
3. **Targeted Coaching Sessions** — 60–90 minutes of focused practice and feedback.
4. **Real-World Rehearsals** — Apply skills to your actual business scenarios.
5. **Ongoing Refinement** — Build lasting confidence and performance.
